Notice of Series

1. RULES

Each regatta will be governed by the rules as defined in *The Racing Rules of Sailing* (RRS).

- 2.2 In order to compete for the BAYS Summer Series Championship perpetual trophies, competitors shall be a resident of Northern California, or a regular participant in a Northern California Yacht Club or Youth Sailing Program.
- 2.3 Each regatta shall be entered separately with each host venue.
- 2.4 Although individual hosts may welcome additional dinghy classes to compete in their respective regatta, only the following classes compete for the BAYS Summer Series.
 - C420
 - CFJ (without spinnaker)
 - Optimist
 - Laser Full-rig and Radial

5. SAILING INSTRUCTIONS

Sailing instructions will be issued by each host.

6. SCORING

- 6.1 The BAYS Summer Series is scored according to a High Point Scoring methodology.
- 6.2 Each *overall* regatta finish is used for Series scoring, not the individual races within the regatta.

- 6.3 Points earned for each BAYS regatta as follows: # of entries minus final finishing position, plus 1.
- 6.4 Competitors shall only receive BAYS Summer Series points at regattas with at least two competitors in their fleet. (See also 7.3)
- 6.5 Of the four Summer Series BAYS regattas, the best three will count toward the series total, with the boat's worst regatta thrown out.
- 6.6 Sailors are permitted to change boat classes during the Series, and they will be scored in each boat class in which they compete. For example, if a sailor competes in BAYS #1 and #2 in an Opti, and then switches to a Laser Radial, he or she will receive DNCs for BAYS #3 and #4 for Opti Series scoring, and DNCs for BAYS #1 and #2 for Laser Radial Series scoring.
- 6.7 Sailors may compete with different sail numbers from one BAYS Summer Series regatta to the next. Series scoring is according to the skipper, not the sail number.
- 6.8 Crews in double-handed BAYS classes are permitted to change from regatta to regatta.
